

Hello {FirstName},

Welcome to (insert the course and section). My name is Professor xxxxxx. I am looking forward to working with you to help develop robust study strategies to reach your educational goals.

You are enrolled in the (insert the course), Learning Frameworks course that begins (insert the starting date of the course). Let's get started.

1. First, log in to eCampus to make sure your login works. You can directly access eCampus using this link: <https://ecampusd2l.blinn.edu/d2l/home>. Your eCampus login information is as follows:

New Students:

Password: Birthday, written MMDDYY

Example: May 4, 1993: 050493

Returning Students:

Username: firstname.lastnameLast2DigitsBlinnID

Example: Jane Smith, ID B00123456: jane.smith56

Your password is the same password you have used previously for eCampus.

If you need help, click on the Password Recovery or call the Blinn Help Desk: xxxxxx.

2. Click on the Content bar. The only folders open for you to view are "Class Orientation-Start Here.
3. Proceed to complete The Student eCampus Orientation Course. If you have already completed the Orientation Course, you do not have to do it again. Upload your Certificate in the Dropbox. You will have one week to complete the eCampus Orientation Course.
4. Read the entire Syllabus (attached your Syllabus) to learn more about the course and required textbooks.

If you have questions about the course, please e-mail me at xxxxxx.

See you online!

Professor xxxxxx
